👤 PROFILE

Highly skilled software engineer with expertise in both front-end and back-end development, seeking a challenging position to utilize my technical skills and contribute to the success of a dynamic organization. I am passionate about creating innovative software solutions and thrive in fast-paced, collaborative environments. With a strong foundation in computer science and hands-on experience in various programming languages and frameworks, I aim to leverage my skills to design and develop high-quality software applications that deliver exceptional user experiences.

📁 EXPERIENCE

Upwork, Software Engineer 🔗

August 2022 – present

- Maintained strong communication and collaboration with clients to understand their requirements and provide tailored solutions.
- Managed project timelines, ensuring on-time delivery and meeting client expectations.

Jamal Brothers (Pvt) Limited, REACT Intern
